

PRESIDENT'S MESSAGE - ELLIOTT WILSON

My name is Elliott Nicodemus Wilson, President of Model United Nations at CSUB, and it is my pleasure to give the introduction to the first weekly CSUB MUN newsletter! This year, we continue our goals of educating CSUB students on global and local issues, giving them the tools to involve themselves in their communities, and fostering student life based in good relationships.

We are proud to represent the tradition of Model UN at CSUB, and can't wait for the events and trips of the year to come. Thank you for reading our newsletter. Be sure to follow us on Instagram and look out for next week's newsletter!
